III) TEXT: "Swiss Dinner". You are watching "Swiss Dinner" on Telezüri with an English speaking friend, a programme where they **constantly argue** about the "taste, smell, touch on the tongue, look of food" or even about sounds (sizzle in the pan, stirring in a pot, wine being poured into glasses) and much more.

As your friend does not understand Swiss German, you have to explain what is happening. You may comment on it or also quote what the characters in the programme are saying (there are typically 4 people involved, usually two couples that are having a cooking contest).

**Use:** - at least **4 different verbs of the senses**, with **each of the 3 typical structures** at least once.  
- **3 times a modal verb past structure**, with a **different modal verb each time**.

Minimum 120 words. (10 + 6 + 4 = 20 P)

Write here and on the back of this sheet: (or on your computer)
