

- 1) + communication
- losing identity
↳ establishing new identity
Latin as Lingua Franca
→ flow of language
→ it depends of how you deal with it
→ different varieties of English
+ English as an "in" language

conclusion → English as a special language → easy to learn → globalisation
→ political point

2) - not during lessons → but afterwards
+ students learn better if they like the teacher

- depends on the individual student
- relationship with students is important

= talk to them in private

conclusion: teachers should know about student's private lives but not discuss private problems during lessons
