

RELATIONSHIPS

1a	You need to borrow 20 000 dollars from your rich grandmother to start your pizza takeaway business. Go and talk with your grandmother. You last saw her 2 years ago.	1b	Your granddaughter/grandson will come to talk to you. You hardly remember her/his name as she/he almost never visits you. You live alone in your villa. You are very rich, but you hate to lend money to anybody. You are very emotional.
2a	You are watching your favorite TV show, when somebody calls. Answer the phone and try to get rid of the person as soon as possible, because it is the last episode and you have been waiting for it all day.	2b	You broke up with your boyfriend/girlfriend. Call your best friend. Tell everything in details. You are very sad.
3a	You hate cats. A neighbor will come to talk with you. Open the door. Be polite, but try not to agree.	3b	You have won a trip to Bahamas and you must leave in 2 days. You have three cats. Usually your mom takes care of them while you are away, but now she is in hospital for 2 weeks. You do not have anybody else to take care of your cats. The next door neighbor is your last hope. Go and talk with him. Remember, you have no other choice.
4a	You are Sara and you are engaged. Now it is time to plan your wedding. Talk with your fiancé James about the most important day of your lives. You want to invite at least 400 people, book a palace for the venue, invite some famous band to perform etc. Remember, it is the most important day of your life, so you want it to be perfect!	4b	You are James and you are engaged. Now it is time to plan your wedding. Talk with your fiancée Sara about it. You would prefer to have a quiet wedding, invite just family and have it somewhere by a river or a lake. You hate all the hustle and bustle.
